About Mountain Sun Pubs & Breweries: Founded by Kevin J. Daly in 1993, the original Mountain Sun Brewery, located in downtown Boulder, Colo., was the first microbrewery in Colorado to offer the comfortable brew-pub atmosphere and community gathering place that Daly fell in-love with when living in Portland, Oregon. A true traveler and music lover to the bone, Daly sought to create an establishment as comfortable as a living room, where great food, craft beer and conversation flowed freely. With a commitment to high quality ingredients, Earth-first practices, and employee participation, the uniquely eclectic atmosphere of Mountain Sun continued to expand. Southern Sun Pub & Brewery opened in Boulder, Colo. in 2002, and Vine Street Pub opened in Denver, Colo. in 2008. Mountain Sun's commitment to community extends beyond their pubs to the many local non-profits they support, including KGNU, Boulder County Aids Project (BCAP), and Judy's House, donating for than \$20,000 a year to such organizations.
